## Harris Foresees Enjoyable Day

"We should be able to guarantee the college students a highly enjoyable Sweezy Day next Wednesday," Dave Harris, co-chairman, announced today.

Committees are busy putting the finishing touches on plans for the celebration which will begin Tuesday night with the Band Blare. Admission to this couples-only affair in the men's gym at 9 p.m. will be 75 cents.

No alarm clocks will be necessary on Wednesday morning, for at 9 a.m. men's and women's dorms will be awakened by the music of a Dutch band. After the wake-up music, the drawing for the King and Queen of Sweezy Day will be held at Tomlinson Field. Following the coronation, students may participate in shoe-kicking contests, wheel barrow races, egg tosses, and other games.

Foot-long hot dogs will be featured at the Commons picnic lunch from 11 a.m. to 12:15 p.m. The broad jump, 50-yard dash, and 100-yard dash will be included in the boys' track meet events at Tomlinson Field at 1 p.m. Also on the field at 3 p.m. the student-faculty baseball game and a girls' softball game will be played.

A picnic-style dinner will be served at 5:15 p.m. King and Queen Sweezy will reign over the talent show in the College Auditorium at 7 p.m. This student show will feature pantomimes, vocal selections, dances and many other forms of entertainment.

Topping off the day's activities the Sweezy Day Carnival, which will have various booths sponsored by organizations and living groups (Continued on Page 5)

### Turtle Trudge Tossed

"Due to a lack of student interest, the Turtle Trudge slated for Sweezy Day has been cancelled," Bill Leth, Crier editor, announced Wednesday.

"RAINMAKER" CAST MEMBERS, all complete with costumes and make-up, are shown in the living room of the small mid-western ranch house, one of the three settings which appear on the College Auditorium stage simultaneously. Shown from left to right are Ken Brown, James Kelley, John Grove, Dianne O'Brian and Garry Sykes. Tonight is the last performance of "The Rainmaker" on the Central campus.

## Advice On How To Get A Man Divulged In "The Rainmaker"

By SHARON SAEGER

"You gotta get a man the way a man gets got." This is elder brother Noah's advice to his sister Lizzie in "The Rainmaker" by N. Richard Nash. Tonight is the last time to see this comedy in the College Auditorium. Curtain time is 8:15 p.m. Tonight's show will be a special performance in conjunction with the Mother's Day Weekend activities on campus. Parents will be admitted to tonight's performance free on their son or daughter's SGA card.

Lizzie, played by Diane O'Brien, is a plain girl who wants to get married and does not know how to get a man. She is serious, intelligent, and honest but scares prospective suitors with these virtues.

Her older brother Noah played by Garry Sykes, wants to help her, but he is honest as she is and sometimes hurts when he tries to help. He runs the ranch which is suffering from a bad drought. As bookkeeper and ranch foreman he does a good job, but he deserves the advice of his father H.C., played by John Grove, who (Continued on Page 5)

## Girl Swings For Mothers

Saturday night's cinemascope feature is "The Girl in the Red Velvet Swing." It will follow the AWS installation program in the auditorium and be a part of the program offered for Mother's Day activities.

The picture stars Joan Collins as Evelyn Nesbit, the first Gibson Girl. Male leads are Ray Milland and Farley Granger.

The country was shocked in 1906 by the sensational murder of architect Stanford White by playboy Harry K. Thaw. The picture tells the story and invites widespread conjecture and controversy.

## Voters Elect Carberry, Perkins, Grove, Budzius As SGA Leaders

George Carberry, a junior transfer from Wenatchee Junior College, was elected president of the Student Government Association for the coming school year during elections last Thursday. Hailing from Entiat, Carberry was student body

president at Wenatchee JC last year. Carberry was selected over Paul Schumann of Sunnyside, Chuck Hammill of Wenatchee and Jerry Wenger of Centralia.

Dave Perkins, former Winlock High School student body president, won the vice presidential spot, by defeating Lee Haberling of Puyallup and Ken Baldwin of Tacoma.

A Renton junior and 1956 Homecoming princess, Marilyn Grove, edged Nellie Punch of Toppenish to be named SGA secretary. Carol Ozanich of Seattle was also competing for this office.

This year's Sweezy Day co-chairman, Marty Budzius, defeated Gerry Sorenson of Kittitas and Dick Wilson of Seattle for the position of social commissioner.

### Clough, Standley Picked

Molly Clough of Seattle and Don Standley of Sumner were elected to fill the two spots on the Honor Council. Miss Clough won over Lois Williams of Renton and Dottie

## Four Hundred To Arrive Here For Mothers' Day

Today and tomorrow, more than 400 mothers are coming in from all parts of the state of Washington for Mother's Day Weekend, one of the most prominent events of the year.

Activities for the three days, centered around the theme "Bienvenue Ma Mere," are planned to keep the parents busy, plus become familiar with Central Washington's Campus.

Registration of visitors is this evening in the CUB information booth at 7 to 9 p.m. and tomorrow from 9 to 12 noon.

A new event featured for parents this year is the play, "The Rainmaker." Students and families are admitted on SGA cards and there will be no admission charges.

Saturday functions will highlight the weekend activities. Open house in all campus buildings is from 9 to 12 noon and in the dormitories from 4 p.m. to 5 p.m. Special exhibits are being conducted by the art and home economics department.

The coffee hour in the CUB lounge and style show in the auditorium is from 2 p.m. to 4 p.m. In order to accommodate the large crowd, guests are divided into two

groups—attending each event for an hour.

The banquet begins at 6 p.m. in the Commons and Sue Lombard hall. Speaking for the occasion are Dr. Robert E. McConnell and Dean Annette Hitchcock. Giving the response is Mrs. Alma Reed, Carole Dallman's mother. Musical entertainment is being presented by college students. The guests in Sue Lombard will gather at the Commons for the banquet program.

Concluding Saturday's activities is the evening program at 8:30 p.m. in the auditorium. New Associated Women Student officers are to be installed in a formal ceremony. The affair is under the direction of Milo Smith. Mrs. Hitchcock is presenting the AWS awards at that time.

New Spurs will be introduced as (Continued on page 3)

## Slides To Transform Walls During Annual Band Blare

The ninth annual informal Band Blare will be held on Sweezy Day Eve, May 14. From 9-12 p.m. dancers will glide on the Men's Gym floor to the danceable music of the Sweecianns. This annual affair is for couples only—at only seventy-five cents.

Highlighted will be the decorations consisting of wall-size slides of modern, contemporary paintings. Refreshments will also be served. Late leave for the girls will be 1 a.m.

This, the ninth annual Band Blare, has become a tradition for Sweezy Day eve. The Central Concert Band, the sponsor of this event, felt that the lower prices this year might make it possible for more students to attend.

The music will be provided by the Sweecianns, which is composed of the best dance band musicians on the campus. All the members of the Sweecianns are also members

of the concert band and will be under the able leadership of A. Bert Christianson.

A unique type of decoration featuring the works of some of the contemporary artists has been planned for the dance. These slides will completely transform the walls of the Men's Gym to colorful, striking murals. Also as an added attraction a short movie, complementing the decorations, will be shown during intermission.

The concert band sincerely wishes that many of the students will attend this annual event and help make Sweezy Day a huge success.

UNDER THE DIRECTION OF A. BERT CHRISTIANSON the Sweecianns will play for the annual Band Blare on May 14. Featured on saxophones will be Gary Oules, Ron Brumbaugh, Elmer Peters, Dennis Tsuboi and Herman Danielson. Trombonists are Mallory McManus, Terry Davies, John Nikander and Rich Vonneth. Chuck Wallgren, Harley Brumbaugh and Tom Pratt make up the trumpet section. John Moawad and Fred Johnson are shown in the rhythm section. Not shown in the above picture are Ron Ott, guitar, and Loren Newkirk, pianist.

SGA Council

# Free Movie, Subsidations, Crier Positions Approved

BILL LETH, Crier Editor

"The Girl in a Red Velvet Swing," the Student Government Association dime movie this Saturday night will be free to everyone, Wayne Heisserman, SGA social commissioner told the council Monday evening. As the movie is scheduled to start immediately after the AWS installation the SGA decided to have a free movie.

The council voted to give Arnold Air Society and Sue Lombard Hall SGA dance subsidations for the money they lost or failed to receive when they sponsored the Political Rally Dance and the Watch Night Dance, respectively. A gift of \$10 was given to Arnold Air as they were unable to collect admission at the door due to the rain storm that came up during the political rally. The candidates finished their speeches during the dance so the council felt obligated to subsidize Arnold Air.

The amount to be subsidized to Sue Lombard was unknown as not all of their bills were in yet. It will be the total amount that they lost on the dance which it is understood is under \$20.

Robert Slingland, Director of Publications, brought the students who had been recommended by the Publications Board for the paid positions on the Crier and Hyakem for the 1957-58 school year to the council meeting for final council approval. (See the story on the new staff members elsewhere in this issue). They were unanimously approved by the council.

The question of SGA scholarships was brought up again. Barbara Conrad, Off Campus representative, and Al Marshall, North Hall representative, read some suggestions that the Scholarship committee had come up with during the past few weeks. The committee met with Edward Rogel,

Director of Public Service, on the question of SGA scholarships. Rogel felt that there is a need for scholarships for the sophomores. Lybyer asked the representatives to poll their individual living groups on the problem.

Jerry Wenger asked the council about the possibilities of the SGA sponsoring a pool team which could take part in the collegiate pool tournaments here in the northwest. This team of about nine members could practice on the pool tables in the basement of the CUB. Wenger also suggested that the team members have a certain time each week in which they could practice free of charge. The council as a group told Wenger to go ahead with plans for a team but they would not at the present time be able to give him any concrete backing or help.

The new SGA Council sat in on the early part of the meeting and then moved to a committee room and held a meeting of their own. They then came back for the last part of the SGA meeting with several ideas and suggestions which were discussed by both groups meeting jointly.

The only voting power that the new council holds is that which is given it through Article V, Section 6 of the SGA Constitution which in part reads . . . "The power to vote as a member of the Student Council shall be extended to the members-elect at the discretion of the members of the Student Council."

## Lybyer Conducts Assembly On Pertinent Problems

Jack Lybyer, SGA president, conducted an informal assembly Tuesday morning at 11 a.m. in the college auditorium. The assembly was called to continue the discussion of questions and answers left over from the SGA assembly of April 16.

Questions concerning Vetville were tabled. According to Lybyer vetville residents agreed that their problems were being taken care of by the planning committee.

Kenneth Courson, business manager explained the bookstore policy. He informed the group that textbook prices are set by publishers and not subject to change by the local bookstore. Products sold in the store in some cases are priced by the fair trades standard and other products have a one-third mark-up.

### Book Re-purchases

For the re-purchase of books the store uses a buying guide in which the prices are set. They buy back at one-half price and resell at three-quarters. Any change in the policy of profits for scholarships would have to go through Dr. McConnell's office. Mr. Rogel informed the group that the approximately \$2,000 to \$3,000 used for leadership scholarships would mean only about a saving of 50 cents per student.

Dr. Emil E. Samuelson, dean of students and director of placement, spoke about the three important problems of placement. He indicated that communication seemed to be a problem in that students were to file forms with his office as to their preferences and did not always do so. The office works with the assumption that these files are kept up-to-date.

"The relationship between the placement and the personal file is distinct and separate," Samuelson said. The placement file contains the recommendation reports of supervisors and teachers and the student teaching report. No information from the personal file goes into the placement file.

### Third Problem

The third problem of trying to place students from the arts and sciences department was explained. This group is small and their wants are ineffectively presented because they are not homogeneous.

The structure for their placement is not the same as that of the teaching profession. When a firm sends a representative to the school to interview students there must be a sufficient number of interested and qualified applicants to make the trip successful.

Other questions discussed concerned the miscellaneous fees, and communication problems. Lybyer informed the group that a new bulletin board for the listing of events and activities would be in use in the near future.

Questions which had been submitted to the SGA council at the previous assembly and were still unanswered but considered pertinent would be answered and published in the Crier according to Lybyer.

## Let 'Er Rip

Dear Box 50.

During my four years at Central, I have observed a marked decrease in club activities and participation during spring quarter. You just can't get people out to the meetings.

I will list several reasons that I feel are responsible for such a drop. First of all there are too many clubs for a campus of this size. We can not expect our clubs to function on a par with the University of Washington because we do not have the student population.

Second, most active members, including club officers, spread themselves too thinly. When club elections are held, the most active people get offices. These are the same people who are involved in other club and SGA functions.

Third, many people join clubs just to say they belong. I have noticed that many clubs have an increase attendance when pictures are taken for the Hyakem. People who are preparing to teach feel that they must have clubs listed on their activity sheet. They are told that this looks good on their placement records. They do not see the real significance for the existence of clubs and thus are unable to derive any real benefit.

I feel since we are going to teach in a democratic society, we should have first hand knowledge of the democratic process. Being active also develops desirable personality characteristics. This is what administrators are looking for when they look at an applicants activity sheet.

Since I feel that criticism should not be made unless some solutions are offered, I am going to list a few out of the several I have thought of. Everyone should keep in mind when electing new officers that they should not only select people who are active but also people who have time to devote to such an office. New officers should plan next year's activities in advance. I also recommend that at least one outstanding function be planned each quarter.

## Seniors May Miss Final Spring Tests

Students who are candidates for the BA Degree on June 2 will be excused from final examinations this quarter, subject to three provisions, it was announced earlier this week.

The provisions are 1) students may be given a final examination at the discretion of the instructor before the due date of seniors' grades, 2) the instructor must notify the student and the Registrar's Office in all cases where a graduating senior's grades are below "C" and 3) grades of seniors planning on graduating on June 2 which are reported as below "C" are due in the Registrar's office on Tuesday, May 28.

A list of those seniors who are scheduled to graduate on Sunday, June 2, will be sent out from the Registrar's Office prior to Tuesday, May 28.

## SGA Council Approves Gene Luft And Dorothy Heint For Editors

Gene Luft and Dorothy Heint will serve as the editors of the two Central Washington College student publications during the 1957-58 school year. Luft and Miss Heint were approved Monday night by the SGA Council for the jobs of editor of the Campus Crier and Hyakem, respectively.

Luft, a junior at Central, is majoring in English and minoring in journalism and business education. He has been the associate editor of the Crier the past four quarters. He is a graduate of Grandview high school where he was paper editor in 1954.

Miss Heint is a sophomore and is minoring in library science, music and professionalized subjects. She was editor of her high school annual at Zillah and has served as co-associate editor of the Hyakem since February.

The SGA Council approved the Publications Board's recommendations of 12 students for the 14 paid staff positions on the two publications unanimously. The 14 positions consisted of editors, photographers and business staff members for the Crier and Hyakem.

### Pat Morris Associate

Assisting Luft on the Crier next year will be Pat Morris, associate editor; Janice Ketchkoe, copy editor; Hal Heath, sports editor and Mike Austin, assistant sports editor. Dick Ewing will continue in his capacity as photographer for the Crier. Another photographer will be selected early next fall. This summer Luft and Barbara Smith will serve as co-editors of the Crier. Mrs. Smith has been a reporter on the Crier this year and is presently taking several journalism courses.

Miss Heint's staff includes Donna Turner as associate editor and Pat Whitman as photographer. Miss Turner, a freshman, has served as co-associate editor of the Hyakem with Miss Heint since February and Miss Whitman, also a freshman, has been the Hyakem staff photographer this past year.

Joe Crites, this year's advertising manager, will move up to business manager of the Crier and Hyakem during the 1957-58 school year. Jan Crooks will take over as advertising manager of the two publications. Miss Crooks has

worked on the Crier staff as a reporter this past year.

Another change in the staff organization of the publications next year will be the return of Miss Bonnie Wiley, Director of Publications to Central from a year's leave absence at Columbia University. Robert Slingland, acting Director of Publications, has been transferred to the new Speech, Drama, Radio and Television division at Central.

### Graduating Staffers

Five of the 10 paid Crier or Hyakem staff members that will not be working on the publications next year will be teaching in various parts of the northwest. Paul Lambertsen, Hyakem editor, will be teaching at Auburn; Lowell Erland, Hyakem photographer, will be teaching at Goldendale; June Hanson, Crier and Hyakem business manager, will be teaching at Thorp; Sharon Saeger, Crier editor fall quarter, will be teaching near Olympia; and Bill Leth, winter and spring quarter Crier editor, will be teaching at Parkrose, Ore.

Officers elected at the May 7 meeting are Dorothy Heintz, president; Molly Clough, vice president; Marjorie Gilkison, corresponding secretary; Marieta Hora, recording secretary; Bob Feuchter, treasurer.

Other officers include Florence Erickson, librarian; Donna Cavadin, historian; Dorothy Dedrick, reporter; Dick Hull and Dana Byfield, social commissioners.

The FTA Banquet has been scheduled for May 22 in the large banquet room in the Commons. All FTA members wishing tickets should contact Paul Lambertson.

## Two Faculty Members Receive State Offices

An all-Ellensburg group, including two Central Washington College faculty members, was recently elected to officer roles in the Washington State Art Association. The state convention was held May 3 and 4 in the Tri-Cities.

Officers for 1957-58 are president, Frank Bach, Assistant Professor of Fine Arts and vice president, Miss Ramona Solberg, Instructor of Fine Arts, both members of the college faculty. Miss Marie Dunham, high school art instructor, was elected secretary and Mrs. Marshall Remelin, treasurer.

College faculty members participating in various art demonstrations were Glenn Hogue, pottery; Reino Randall, silk screen printing; Ramona Solberg, jewelry; and Frank Bach, who premiered his children's art films.

The next state convention of the Washington State Art Association will be held at Tacoma in November and Yakima will be the meeting site in 1958.

## MUN Group Makes Talks

Central's Model United Nations group has been engaged in various speaking dates around the valley since their return from Stanford University.

As of this Friday, most of the dorms have been covered. Delegates spoke to both the Lions Club and the Kiwanis Club this week.

Today Russ Jones, Jean Hobbs, Ted Notman and Sylvia Stevens went to Yakima to speak before the Women's Century Club.

Because of their success at this year's conference, the delegation is quite confident of getting a good country for next year, according to Jones, the chairman.

The delegation is already in touch with the University of Washington, next year's host school, in regard to the 1958 session.

Because of the nearness of next year's convention, Central plans to take a large group to the Seattle meeting. These people will then have the experience necessary to work with future Model UN's.

It is only the intellectually lost who ever argue.

## Eastern To Trade Plays With CWCE

Eastern Washington College will send a drama group to Central May 16 to kick off a drama exchange between the two schools.

The Cheney group will present "Twelve Angry Women" at 8:15 in the College Auditorium.

Originators of the exchange idea were Harold Stevens, Eastern's drama coach, Milo Smith, assistant professor of speech and drama, and Norman Howell, associate professor of speech and drama.

Their idea came out at the Northwest Theatre Conference in Eugene last February. At this meeting the idea developed that an exchange of plays between the two institutions might lead to a heightening of student interest in the theatre, an increase in the number of theatre productions on the campuses at little expense to the schools, and a wider range of experience for the college players.

"It is hoped that the exchange of plays will extend the intercollegiate relationship and foster a closer association between the stu-

part of the evening's program. Musical entertainment and novelty acts are to be presented.

Master of ceremonies is Dr. Lyman Partridge. The movie "The Girl in a Red Velvet Swing" will conclude the day's activities for the guests.

Sunday's plans include attendance at the church of the families' choice. Dinner will be served for guests and students in the dining halls at 1 p.m. A senior recital is scheduled at 4 p.m. in the auditorium for those wishing to attend. It will feature Al Stevens and Jack Turner.

dents of the two institutions," Milo Smith, assistant professor of speech and drama, said.

The play, "Twelve Angry Women," is an outstanding new play recently released for amateur production and filmed, with an all-male cast, under the title of "Twelve Angry Men," starring Henry Fonda.

It is a courtroom drama which tells the story of a panel of jurors weighing evidence and arriving at a verdict during a murder trial.

Students remaining for summer session are urged to consider the opportunity of working on campus. Applications are needed for student help for summer quarter, and anyone interested in learning of the campus assignments available are asked to visit the Student Employment Office.

Also, students returning to the campus next fall, and who desire campus employment, are asked to make their work applications dur-

ing this quarter. This applies to all students who are now working on campus, as well as others who are interested in the opportunity. New applications must be in the files of the Student Employment Office for a student to be considered when the fall assignments are made.

The student employment office is located in room 307D in the Administration building.

## Constitution Vote Delayed Until Fall By Committee

Central's Student Government Association's revised constitution "bit-the-dust" again Tuesday evening as a constitution convention composed of members of the old SGA Council, the newly elected SGA Council and the Student-Faculty Planning and Coordinating Board decided that the revised constitution was not ready to be voted upon by the students at this time.

A constitution committee of six students and four faculty and administration members completely went over the revised constitution during the past two weeks but the constitution convention after deliberating on the first four articles of the 20 article constitution for almost two hours decided that the constitution needs more work done on it.

Peggy Sharpe moved that Dr. E. E. Samuelson, chairman of the constitution convention, appoint a committee of students and faculty and administration members to meet with the SGA Councils, the Honor Council and by themselves, and to accumulate all the proposed suggestions and revisions for the constitution.

This committee is to then to incorporate all of these suggestions in the revised constitution and then present the revised constitution to

a joint meeting of the SGA Council and the Student-Faculty Planning and Coordinating Board.

The revised constitution will then be submitted to the students sometime during next fall quarter. It will be printed in the Campus Crier and no sooner than 10 days later the students will be asked to vote on it.

Dr. Samuelson appointed the following people to the constitution committee, Pat Crawford and Marilyn Mannie, representing the Honor Council; Happy DeRoche, SGA Council member-elect; Ken Baldwin, representing the original constitution committee; Dr. Eldon E. Jacobsen, representing the faculty; Perry Mitchell, Central Registrar, representing the administration; and himself, representing the SFPCB and administration.

The final SFPCB meeting of the year will be held in the Faculty Lounge in the CUB on Tuesday, May 21. This will be both a social and a business meeting.

## Play Rehearsals To Switch Into Big Auditorium

Rehearsals for the Central Players will change from the Little Theater to the College Auditorium next week as the casts, crews and directors work on sets for their three one-act plays. The plays will be presented May 21 and 22 in the College Auditorium. Admission will be 75 cents or SGA cards.

The three plays are "The Farmer's Daughter," a melodrama by Ellis Wilhite, "The No 'Count Boy" by Paul Green and "The Monkey's Paw" by W. W. Jacobs and Louis N. Parker.

During next week the groups plan to concentrate on characterization and stage movements. They will also be building sets and finding costumes.

The group is sponsored by Maskers and Jesters, Central drama honorary advisers are Milo L. Smith and Norman Howell of the speech and drama department.

## Voters Elect

(Continued from Page 1)

Dunn of Seattle, while Standley was competing against Ted Wood of Wenatchee and Marilyn Stark of Olympia. Standley and Miss Clough will join Marilyn Mannie, Bonnie Munz, Carl Tingelstad and Pat Crawford on the council; the other members being elected last quarter.

Completing the SGA council for the coming year will be ten representatives from the living groups. Elected were: Kamola, Gladys Weston of Seattle; Sue Lombard, Joy Barsotti of Spanaway; Munson, Alice Mason of Kelso; North, Dave Annonen of Winlock; Kennedy, Bill Bergsma of Issaquah; Wilson, Monte Wilson of Milton-Freewater, Oregon; Pre-Fabs, Mike Austin of Yakima; Off-Campus Women, Karen Cole of Richland; Off-Campus Men, Lyle Kremer of Cody, Wyoming; and Vetville, Ernest "Happy" DeRocher of Tacoma.

"I sincerely want to thank all of those who voted for me and placed their faith in me during the elections," Carberry said. "I will try my very best to try to fill your expectations. It's too bad all of those running for offices could not be elected, but they'll definitely be considered in our plans for next year. With their help and the help of all students, we can and will have the best SGA in Central's history," he added.

### "Perk" Comments

"From the bottom of my heart, I want to thank everyone who supported me throughout the election," Perkins said. "I have all the confidence in the world that we will have a good SGA next year with the great bunch of officers I will be working with on the council."

After thanking everyone for their support, Miss Grove said, "After working on the revision of the constitution and listening to you students, I am sure that I know your needs and desires. I am determined and honored to do my best to satisfy your needs a problems next year. Your cooperation with me and the rest of the council will build a stronger name for Central—I have confidence in you and the council."

"This is probably the biggest thing that has ever happened to me for a long time," Budzius said. "I know it will be a real pleasure working with the other people elected and with you, the students."

## Dance Replaces Senior Banquet

Seniors, their dates and friends, will be honored at a smorgasbord dance in Munson Hall, Friday, May 31. This party has been arranged to take the place of the annual senior banquet which will not be held this year because of lack of interest.

Nick Vanderstaay, senior class president, is being assisted by Tom Newell and Pat Short in making plans for the event. Additional information will be available in next week's Crier.

Dr. McConnell discussed graduation plans with the seniors at their class meeting last Thursday night. Commencement exercises will begin at 3 p.m. Sunday, June 2.

Although a definite number of reservations will be given each graduating senior, the exact number has not yet been established by the graduation committee headed by Dr. Marshall Mayberry. Seniors may count on three or four tickets each, Mayberry said, however.

All graduates will receive a bulletin containing graduation information shortly. The commencement rehearsal is scheduled for May 29 at 4 p.m., Mayberry said.

## Advice Given

says "If you let 'em live, people pay off better than cattle."

H.C. is an easy going man who owns the ranch and tries to run the family in the way which will make them as happy as possible. His efforts to find a husband for Lizzie sometimes have ill effects, despite his good intentions.

### Ken Brown's Role

Youngest member of the family is Jimmy, played by Ken Brown. This adolescent also wants Lizzie to get a man, but his lack of tact brings a black eye and no husband.

Into this confusion strides Bill Starbuck, played by James P. Kelley. He is a swashbuckling, handsome, bragging yet at the same time engaging con man who has a way of finding the best in people.

When Jimmie has doubts about his girl Starbuck advises, "Never judge a heifer by the flick of her tail."

For \$100 the Rainmaker promises to bring rain to stop the drought. His methods are not scientific, but H.C. believes he will get results of some kind.

### Advice To Lizzie

When he finds that Lizzie wants very much to be beautiful, and believes herself plain, his words to her express his belief in life as well as Lizzie. "Every real woman is pretty. They're all pretty in a different way, but they're all pretty," Starbuck tells her.

The local authorities, Sheriff Thomas and File, the deputy have been warned that a con man is approaching and they set out to bring him in.

File, played by Bill Johnston, is a quiet young man who has been the rather obvious object of the matrimonial manhunt of the Curry family. He shys away from the enticements because of a previous unhappy experience.

During the last week of rehearsals Dean Tarrach replaced Don Franklin as Sheriff Thomas. The sheriff is a typical small town sheriff who is greatly impressed with his own importance.

Starbuck is discovered at the Curry ranch, where Lizzie interferes with justice.

Milo L. Smith of the Central speech and drama department is director.

by  
Hal Heath  
Assistant Sports Editor

When the name 'Maverick' was mentioned last weekend they weren't talking about wild horses. They were speaking of boats and this one won the first annual Apple Cup race at Lake Chelan.

In case some occupant of the Pacific Northwest has been living in a cave for the last few years I'm talking about boats—fast boats—of the unlimited hydroplane variety. Hydroplanes are just like infants really. They run their races in heats. Diapers must be changed between heats and more than one rash usually develops.

That's what happened last week. Chelan spelled jinx for every boat on the course and Maverick just happened to get well sooner than any other. The filly's time (back to horses) was a respectable 103 miles per hour but it used to be that she'd be just another shadow behind the towering cascade of Slo Mo's rooster tail. We've seen the last of the Mo's.

Shanty I was my favorite right up to race time but complications set in during the race and she finished out of the money. Watch out in that Gold Cup, though.

To me, however, it doesn't matter which boat wins. One of the greatest thrills in the sports world is watching half a dozen of those snorting three-pointers come roaring down the straight-away with six waterfalls following. Anyone who's seen it will agree.

Speaking of boats reminds me of boots and no one boots 'em home like jockey Eddie Arcaro, the king of horseracing for longer than I've lived. Even the pros make mistakes and Eddie pulled a doozy in last week's running of the Kentucky Derby.

The veteran misjudged the finish line and pulled his steed to a loping gallop some yards from the pay line. Calumet's Iron Liege moved up like he had a bushel of sugar waiting for him and won the race.

Arcaro's blunder cost fans with win tickets a little money and stewards at Churchill Downs called him on the Blue Grass carpet for a little investigation.

Willie now has been suspended by Churchill Downs stewards for a 15 day period. One steward said: "We at Churchill Downs are of the opinion that the finish pole is the easiest of all things to distinguish at the track on Derby day." They got him for "gross carelessness."

Most of the race fans were backing "The Shoe." They agreed that anyone could make that mistake and that Willie was just trying to fox other jockeys with a new kind of strategy. The suspension will cut Shoemaker from the third side of racing's Big three—the Preakness—to be run May 18.

Whether he was right, wrong, nearsighted, or shady, I don't know but it's for sure that the owners of Gallant Man are crying in their mint juleps. Gallant Man is the horse that Shoemaker goofed on. He finished second—only \$45,000.

Can't hang up without a quickie on baseball. Two things: Maybe the Yankees will have a little competition from Chicago, and Mickey Mantel's horrible start—he's only hitting .333. It's sinful.

## CWCE Netmen Seek Revenge Victories Here

Tennis teams from Eastern and Central will square off tomorrow morning at the lower courts with the Wildcats the slight favorite to even their competition for the 1957 season. Eastern whopped the Cats 5-2 at Cheney last weekend.

The Savages, rated one of the pushovers in the league, got hot on their home courts last Friday and upset Coach Everett Irish's squad with three singles victories and a sweep of the doubles. Dick Smith and Wayne Dalesky took singles wins before that.

On Saturday the Wildcats bounced back and almost turned in the upset of the tennis season at Whitworth. They took two singles matches with Smith and Bill Daniels winning.

CENTRAL'S NEWLY ELECTED SGA PRESIDENT George Carberry takes a healthy cut at the ball in one of last weekend's Whitworth games. The Cats coasted to a 10-2 victory in the first game behind the three hit pitching of Stu Hanson but failed to solve the mysterious slants of Pirate chucker Bog Finnie in the nightcap and lost, 4-1. Central is at Eastern today for a twin bill that will decide the championship of the Eastern Division. (see story)

## Cats Go For Title At EWC; Split With Whitworth Bucs

The fat's in the fire for the Central Washington Wildcats today at Cheney when they meet the Eastern Savages in two baseball games which, in a round-about way, will decide the title

Coach Warren Tappin's squad has compiled a 4-2 record up to today's final double-header in the Eastern Division. The Whitworth Pirates are standing at 3-3 and the Cats need a sweep of the twin bill to win, providing the Pirates win their games. If the Whitworth club wins and Central splits then it's all knotted up and a play-off would result. A twin loss for Central and a double win for the Spokane team would be disastrous to Wildcat championship hopes.

Last Friday's games with Whitworth at Ellensburg was the home team's chance to get well out in front. They almost did. Stu Hanson twirled a three hitter in the first game, his teammates got nine bingles, and they won easily 10-2. The Cats exploded for seven runs in the first two innings of that one. Gene Townsend, freshman shortstop, paced the attack with a double and two singles. Jerry Jones and Don Carlson bombed home runs for the winners.

Whitworth bounced back to win the nightcap 4-1. Pirate pitcher Bog Finnie won his second game from the Central club this year. He beat them 3-1 in Spokane earlier this year. Central had plenty of scoring on the bases but couldn't push them around.

Whitworth tallied three in the second on three singles, an error, an interference play on the part of the catcher, and a wild pitch. They picked up their final run in the sixth on two singles with a stolen base thrown in. Central scored its solo in the initial frame on a single by Fred Hauff and a double by Don Carlson.

The Wildcats warmed up with a double header at Gonzaga yesterday before today's crucial duo with Whitworth.

## Tappin Resigns

After compiling an amazing record in four years as head baseball coach at Central Washington College Dr. Warren Tappin has resigned. His resignation was announced Tuesday afternoon by President Dr. Robert McConnell.

The likeable coach is accepting a position as Athletic Director at Drew University in Madison, New Jersey. Tappin will direct all health and physical education in addition to his coaching chores with the basketball and baseball teams.

He came to Central in 1953 from the University of Washington. His teams have won the eastern division championship each year and last year won the Evergreen Conference championship with a 23-2 overall season's record.

He and his family will leave in the middle of June.

## Flood Catches Central Coed

"Floating down the canyon in a '49 Ford," this almost became the theme song of a Central Washington College coed this past weekend.

Doris Owens, a freshman from Sunnyside, Marge Betz, and a friend of hers who lives in Wenatchee, were hiking in No. 2 Canyon last Sunday evening when a flash flood hit the area.

The two girls had just returned to their car when a four foot wall of water came rushing down the ravine on either side of the car. Fearing for their safety, the girls headed for higher ground on foot to escape the wall of water. It was raining at the time and the two girls got soaked to the skin.

Miss Owen and Miss Betz spent 2½ hours in the severe rain and hail as "large as goose eggs" before they could return to their automobile. They then spent the night in the auto and drove down the canyon the next morning.

"The four foot wall of water did not hit the car," Miss Owen said. "Only about a foot of water passed under the car so we were able to drive out early Monday morning," she added.

"There wasn't any damage done to the car by the water and mud but it did ruin a new wash job," Miss Owen stated. "It was quite an experience but I don't think I would like to go through it again," she said.

**TRACK FANS WATCH CENTRAL FRESHMAN** Denny Driskill on his way to a victory in the high hurdles last Saturday at Tomlinson Field. The speedy Driskill broke a 17-year old record with his 15.1 clocking and went on to take 18 points in the meet. Bill Pedersen, who can be seen to Driskill's left, placed second. The Wildcats took ten first places as they drifted to an 81-50 triumph over the Pacific Lutheran Gladiators. (see story)

## Driskill Paces Tracksters To Win; Squad Cut For Martin Invitationals

When Denny Driskill scored 17 points in Central Washington's first track meet a month ago more than one fan sat up and took notice. Then the flashy Spokane freshman injured his back and comments from the fans died down.

They've started talking again. The young sprinter scored 18½

points last weekend to lead the Cats to an 81-50 victory over the Pacific Lutheran Gladiators in a dual track meet at Tomlinson Field. Here's what Driskill accomplished in three hours.

Third in javelin behind a superhuman toss by PLC's Jack Fromm, third in the broad jump, first in the century with a 10 flat clocking, first in the low hurdles for a new dual meet record of 23.2 around a curved track, first in the high hurdles with a time of 15.1 which broke a 17 year old school record, and first in the last lap of the mile relay.

Driskill's hot afternoon was almost overshadowed by the spear toss of Jack Fromm. The Gladiator ace almost lost the cane with a toss of 234' 11"—two feet better than his winning effort the week before at the Drake Relays. The toss compared with the best in the nation this year.

Larry Hinchin, Mike Higgins, Pete Higgins, and Gary Lee accounted for the other firsts by Central. P. Higgins tied Ken Holmes with 11' 4" in the pole vault. Hinchin won the mile and the two mile for the second time this year, Lee put the shot 45' 7" to take first, and M. Higgins won the 440 and 220. Higgins' time in the 440, 50.8 was a dual meet record.

Eleven Wildcats will accompany coach Monte Reynolds to the Martin Invitational at Whitman College in Walla Walla tomorrow. Hinchin, Lee, both Higgins, Jim Marta, Bud Snaza, Donn Kaynor, Frank Hunt, Ken Holmes, Larry Bowen, and Driskill will wear the black and crimson in the big meet which features outstanding tracksters from all over the northwest. Eastern is a big favorite to take away team honors at Walla Walla although no official tabulation is made on that basis.

The PLC results:

Shot Put—1. Lee (C); 2. Searcy (P); 3. Morgan (C). 45 ft. 7¾ in.

Mile—1. Hinchin (C); 2. Johnson (P); 3. Austin (C). Time—4:42.4.

440—1. Higgins (C); 2. Witmer (P); 3. Kaynor (C). Time—50.8. (New dual meet record).

High Jump—1. (tie) Gilmer (P) and Storaasli (P); 3. Snaza (C). 6 ft. ¾ in. (New dual-meet record).

100-yard dash—1. Driskill (C); 2.

## MIA's Off-Campus IV Meets Yakima Sunday

Softball deluxe will be here Sunday afternoon at 3:00 when Pierce Realty of Yakima meets Off-Campus IV in a double-header.

Pierce Realty is considered the top independent team in the Yakima area. They have former pros and softball stars in the fold and promise to be a real test for the college nine. There will be no admission.

## Hinchen Gallops Distance Events

One of the runningest athletes on the Wildcat thinclad squad is Larry Hinchin, this week's Sportrait feature.

Covering three miles of track field every meet, Hinchin runs both the one and two mile event. Out of Central's four meets, he has won six races; three 1-mile and three 2-mile races. His best times this season are 4:37 in the mile and 10:12.5 in the two mile.

Hinchin, a twenty-four year old junior, was born in Ellensburg, Washington. At the age of twelve he moved to Langley, Washington, which is on Whidby Island. The high school at Langley did not have a track team but Hinchin lettered three years each in football and basketball.

LARRY HINCHIN

Upon graduating from high school, Hinchin entered Everett Junior College, where he stayed for only one quarter and turned out for football. The remaining two quarters of his freshman year were spent here at Central. He lettered in track, running the mile and the half-mile.

Hustlin' Hinchin then spent two years in the Army, some of the time in Korea. In the fall of 1955, he returned to the Central campus and has been here ever since. He lettered last season, competing in the one and two mile events.

"We have a good team and a good coach and we will do our best in the conference," Larry said. "Mr. Reynolds is the best coach I have had the privilege to be under," he added.

Academically, Hinchin is a physical education major and an English minor.

# FOCUS ON CENTRAL... Wranglers Host Rodeo For Visiting Colleges

TWO BROTHERS FROM the University of Idaho relax before the rodeo starts. Strumming his guitar is Gary Anderson, while his brother Adrian looks on. Adrian later went on to win third place in Saturday's saddle bronc riding competition. The rodeo opened Saturday with much the same kind of sunny weather that Ellensburg sees during its big rodeo in September.

CAROL VOTLAND OF WSC prepares to get some milk in the wild cow milking contest. Julie Billeter, a Central Washington College of Education coed, won the girls' cow milking event. This was the only first place taken by the CWCE entrees. Miss Billeter was awarded a sterling silver buckle which was one of the nine awards given for individual first place winners. The time for Miss Billeter's escapade was 19.6. Miss Billeter will put her strength and stamina to use next fall as house proctor at Munson Hall.

AND AWAY WE GO! Gary Anderson of the University of Idaho is shown taking a "no-time" in the first section of the saddle bronc event Sunday. Anderson leaves the saddle of "High Society" as soon as he clears the chute. Winner in the event was Bill Duffy of Oregon Technical Institute. Jerry Miller, also of OTI, placed second in the event. OTI walked off with third place in two-day rodeo. Duffy was awarded a sterling silver buckle for winning the saddle bronc event.

EIGHT SECONDS IS a long time when you're riding a Brahma Bull. Even though he failed to stay on that long, Ken MacRae of WSC gave his all to Bull Number 10. Because this is one of the most dangerous of rodeo events, most contestants do fail to stay aboard the allotted eight seconds. MacRae was a part of the large group WSC sent over.

"GOLDEN ROCKET," the horse seen here, is about to make a rocket of his rider, King Putman of California Poly Tec. Putman just before he entered the saddle bronc event, received word that he had become a new father. Perhaps this accounts for his lack of success with "Golden Rocket." Luckily, Putman landed easily.

YOU CAN'T PUMP IT OUT BOYS! Skip Arney and Ron Nurst, rodeo clowns, try pumping the milk out of old bossy as they try their hand at the wild cow milking contest. Bossy doesn't seem too wild or annoyed at the antics of these so-called cow pokes. It doesn't look like these two are being too successful at their attempts to procure the precious "cow-juice" needed to be a winner. From the position of the bottle, Bossy must be expected to be a sharp shooter in hitting the bottle. These antics took place on the second day of the rodeo which was Sunday.
